"I'D LOVE TO SEE MEGAN FOX'S BUM – SHE'S HOT!"

Which famous lady's bum would you most like to see naked? I'd love to see Megan Fox's bum. She's hot, so I bet she has a really nice one.

Well, if you do ever get to see it, let us know what it's like! What do you look for in a bloke's bum? I like a nice, athletic bum. If a bloke can flex his bum cheeks and has a bit of muscle down there, that'll definitely do for me. You have to have a bit of flexing going on!

What's more important on a woman – great boobs or a great bum? Not everyone can be as lucky as you and have both! It's good to have both but, to be honest, I think blokes are more interested in boobs. So if I had to pick, it would be boobs.

Anyway, as much as we'd love to talk about bums all day, we'd better mix it up a bit. So, what did you do last night? I was really ill, so I didn't sleep a wink. When I can't sleep, I usually put the fishing channel on the telly! In the middle of the night, it's either that or that weird guy who paints landscapes.

Interesting! Right, what's the most embarrassing thing that's happened to you recently? I've been lucky, as nothing's really happened. I've cut right down on my partying, so I don't get drunk half as much these days. That's when I used to end up doing embarrassing things!

How are you going to make 2010 your sexiest year ever? I plan to do a lot more sexy shoots for *Nuts* – and hopefully, they'll be as naked as possible. I'd like to get up close with some more *Nuts* babes, too. You'll have to find some for me!

What one piece of advice should men take to the bedroom? That it's really not funny to fart in bed and waft the duvet around so the girl can smell it. We don't find that half as funny as you do, guys!

Is there anything about you that would surprise *Nuts* readers? When I was younger, I wanted to be a forensic scientist – one of those people who solve crimes based on the evidence found at a crime scene. I even trained for it. ➤

"I THINK BRITISH MEN ARE THE BEST, DEFINITELY"

If you could ask the Queen just one question, what would it be? Ooh, that's a hard one. I'd probably ask her if she farts! Everyone assumes that because she's the Queen, she doesn't. But I want the truth!

Where's your favourite place in Britain? Well, obviously I'm from Liverpool and I love it, but I'd have to say London because there's just so much variety. I like going to the big clubs, but I also love checking out the little bars in places like Camden Town in North London.

How do you think British blokes compare to men from other nations?

I think British men are the best, definitely. They're laid-back and usually have a decent sense of humour. They're closely followed by Italian men, who are a bit dark and mysterious. But American men are often really cheesy!

Who's the sexiest woman in Britain right now? Everyone knows it's Cheryl Cole. She's just mentored the winner of *The X Factor* again, plus she's absolutely gorgeous. Although I wanted Stacey to win, I thought Joe was an amazing singer and I hope he does well.

It's the football World Cup this summer. How do you rate England's chances in South Africa? I think we have a great chance of going all the way this time, so I'm keeping my fingers crossed. Do I think David Beckham will make the squad? He has to – he's an England legend!

Speaking of legends, who would you most like to snog out of Stephen Fry, former 007 Sean Connery and Mr Bean? Oh God. Definitely not Mr Bean, as he's way too geeky.

Stephen Fry is too posh. I'll have a little bit of 007, though, please!

Thanks for the chat, Danielle. But before we introduce the other great bums, one last question: have you ever braved the British weather to have some sexy time outdoors?

No, I haven't. If I was going to have sex outdoors, I'd want to do it somewhere nice and warm – so it's unlikely to happen in Britain, unfortunately. The last thing I want is to get frostbite on my bum! ➤

"Does my bum look big in... Oh, I forgot to put it on"

BRITAIN'S BEST BUMS

DANNI ON RHIAN

"I don't know what Rhian does to keep her bum looking so great, but it certainly works. It's small, perfectly shaped and tanned. I could spend all day looking at it!"

RHIAN ON DANNI

"Danni has a very tight, peachy bum – and I should know, as she's always shoving it in my face and jiggling it about. I'd really like to get my teeth into it. It's gorgeous!"

INDIA REYNOLDS

"My bum looks best when it's been moisturised, as it's all soft and shiny. I do it every day, but I'd obviously prefer to have a hunky man rub it in for me!"

LUCY BRIGGS

"My bum is sexy because it's well-rounded, smooth and firm. I love to show it off in a tight dress when I go out. But you can't beat a sexy thong in the bedroom."

EVA

"I love the way my bum looks in the shower when it's all soapy and wet. Then, after I've given it a gentle rub with a towel, it goes all pert and sexy. I love it!"

DARCY PALMER

"Thongs are sexy, as they expose most of your bum yet still leave something to the imagination. Leggings look great, too, as they're very tight around your cheeks!"

**EMMA FRAIN**

"I rub cocoa butter on my bum every day to keep it looking its best. Dancing also helps to keep it firm, so I do ballet in my lounge to keep it as pert as possible."

**EMMA GLOVER**

"If I'm going to a club and want to get attention from blokes on the dancefloor, I'll wear a sexy mini-skirt. They give your bum an amazingly sexy wiggle!" ➔

ROSIE JONES

"In the summer, I like to sunbathe naked or in a tiny thong so people can get a good look at my bum. I keep it tanned and moisturised to make sure it always looks good."

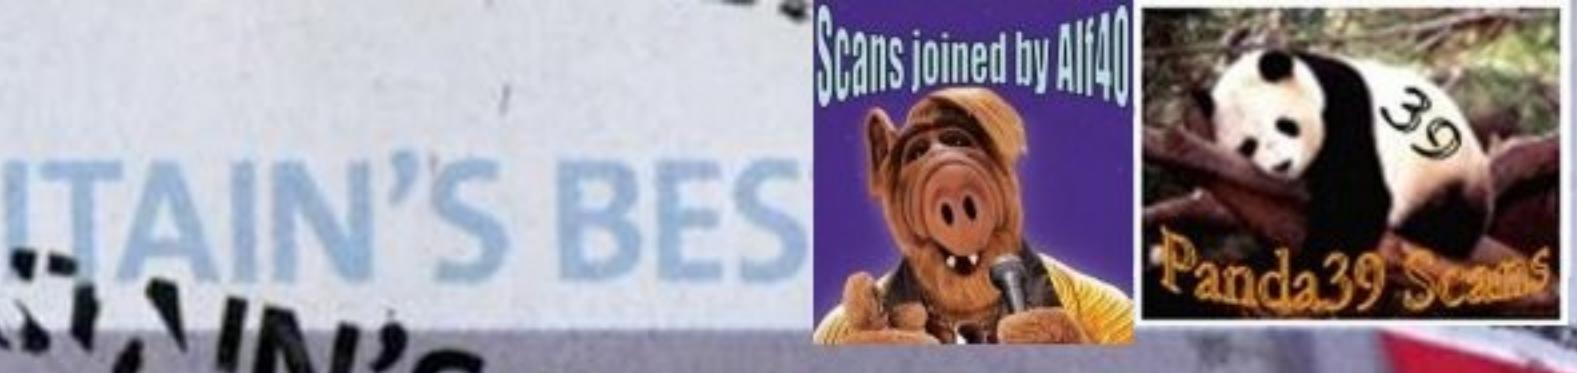

SOPHIE HOWARD

"If I'm on holiday and see someone I fancy, I make sure they get a good look at my bum in skimpy bikini bottoms, as they make it look really sexy. It hasn't failed yet!"

LUCY PINDER

"I wish I had a bigger bum, as it often gets overlooked in favour of the more obvious things on my body! It's only when I wear a tight dress that my bum gets noticed." ■

"I PLAN TO DO LOTS OF HOT SHOOTS FOR NUTS"

Do you not think it would've been distracting for the other detectives if you'd been there? Possibly – especially if I was naked! Ha-ha!

You're a beautiful lady, so we're sure you've been on loads of dates, but what's the worst date you've ever been on? I appeared on an MTV show once as the "date" of this really obnoxious 18-year-old at his birthday party. That was the worst date by a long way. He was just a d*ckhead! I only stayed for an hour, then I got off.

This feature is quite patriotic, so let's ask some questions about our great nation. What's your favourite thing about Britain? The sexy ladies! And the sexy men, too. The sexiest girls in Britain are from Liverpool. They don't just make the effort to look good on a night out – they look good all the time. You never see Scouse girls looking rough.

If you were Prime Minister for a day, what's the first thing you'd do? Get rid of Gordon Brown. Ha-ha! No, I'd cut taxes. Taxes are sh*t – make sure you put that in! ➤

If there's a criticism that could be levelled at us – and Lord knows, we're not perfect – it's that sometimes we can focus too much on lovely boobs. So, in order to rectify this situation, here we bring you 12 pages of glorious bum-baring, presented by Scouse hottie Danielle Lloyd. Bottoms up!

Hi Danielle! How excited are you to be presenting our Britain's Best Bums special? I'm very excited! Does this mean I have the nicest bum in Britain? Ha-ha! Well, thanks very much for the compliment, but there are lots of amazing bums in Britain – including the ones in this feature.

We're certainly not going to argue with you! What makes a perfect bum? I think curvy bums are the best. In my experience, men find it a turn-off when women don't have any meat on them – they like something to hold on to. That's not to say you should have a big bum – just a shapely one. ➤

Twilight star

**Well, she would be if not
for pesky water-resistant paint!**

Normally, it takes the promise of sex or, at the very least, a few hours Xbox allowance to get a man to paint. But in this case we'd happily make an exception, because one lucky "artist" spent 12 hours decorating a naked Ashley Greene with painted scales for a flavoured water ad.

Turns out, vexingly, the paint was waterproof. And don't bother using paint thinner on your copy of *Nuts*. We tried it, and ended up with just blank paper. And painty fingers!
